If I come back with a court order
that lease should be reinstated
would you consider reinstating?

10:06 PM

No. It's too late. I'm in the middle
of leasing it to someone else. I
have a termination agreement
with the receivers.
Are you planning to get back into
the trucking business?

Yes , if you are leasing it to
someone else that's fine , how
about the 6 acres for
development.

10:09 PM

Honestly Sanjay. I think Reese
isn't an option for you. After all
we went through my board would
never allow it.
